

PAYMENT IN LIEU OF TAX AGREEMENT

THIS AGREEMENT, dated as of the 1st day of December, 2019, is made by and between **LITTLE FALLS SOLARI, LLC**, a limited liability company duly organized and validly existing under the laws of the State of Delaware, having offices at 101 Summer Street, 2nd Floor, Boston, Massachusetts, (the “Company”), and the **HERKIMER INDUSTRIAL DEVELOPMENT AGENCY**, a public benefit corporation of the State of New York, having its offices at 420 East German Street, Suite 101A, Herkimer, New York 13350 (the “Agency”).

WITNESSETH:

WHEREAS, the Agency was created pursuant to Title 1 of Article 18-A of the General Municipal Law of the State of New York as amended by Chapter 535 of the Laws of 1971, of the State of New York (collectively, the “Act”), as a body corporate of the State of New York, and

WHEREAS, the Agency has been asked to participate in the project whereby it will (i) accept a leasehold interest in the Premises (as defined below) and a solar generation facility (“the Facility”) to be constructed thereon by the Company pursuant to the Sublease Agreement (the “Sublease”) dated of even date herewith between the Company and the Agency, and (ii) sublease back the Premises and the Facility to the Company pursuant to the Subleaseback Agreement (the “Subleaseback Agreement”) dated of even date herewith, and

WHEREAS, the Premises and the Facility thereon will be exempt from city, county and school real estate taxes pursuant to the laws of the State of New York, and

WHEREAS, the Company, however, has agreed to pay sums of money in lieu of real property taxes,

NOW THEREFORE, in consideration of \$1.00 each to the other in hand paid and receipt of which is hereby acknowledged, and other good and valuable consideration, the parties agree as follows:

(1) (a) The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special *ad valorem* levies, service charges and improvement district charges or similar tax equivalents. Pursuant to the Sublease and Subleaseback Agreements described herein, the Company is required to pay all special assessments and special *ad valorem* levies, service charges and improvement district charges or similar tax equivalents lawfully levied and/or assessed against the Facility.

(1) (b) It is agreed and understood by the parties that a leasehold interest in the total approximately 11.2-acres (the “Premises”) leased by the Company on Valley View Drive, in the City of Little Falls, Herkimer County, New York (being a portion of tax parcel 114.44-1-2.1), upon which a solar energy array is to be installed, has been conveyed to the Agency. As long as the Premises are leased (or subleased as the case may be), to the Agency and, therefore, exempt from general real property taxation, the Company agrees to pay annually to such Taxing Jurisdictions,

i.e., the City of Little Falls, the County of Herkimer and the Little Falls City School District (or cause any mortgagee to release any escrow for payments hereunder annually to such Taxing Jurisdiction) as a payment in lieu of general real property taxes respecting the conveyed Premises, (i) an amount equal to 100% of the real property taxes which would be due for the Premises but for the leasehold interest of the Agency (but without reference to or utilization of Section 485-b or Section 487 of the Real Property Tax Law of the State of New York), commencing on the first tax status date following the date hereof and (ii) with respect to the portion of the assessed value of the Premises attributable to the Facility and other improvements to be constructed thereon, the following amounts:

<u>YEAR OF EXEMPTION*</u>	<u>PAYMENT MADE</u>
1. 2020-21 School; 2021 Town & County; 2021 City	\$7,800.00

16. Thereafter	no abatement, full taxes paid

*assumes execution of this PILOT Agreement after March 1, 2019 but prior to March 1, 2020. See Schedule 1 attached hereto and made part hereof for the allocation between taxing jurisdictions.

(it being understood and agreed that the assessed value of the Facility will not be added to the real property taxes due in respect of the Premises until the first day of March following execution of this agreement, and therefore from the date hereof until such tax status date on the first day of March, the Company shall be obligated to pay or cause to be paid annually to the Taxing Jurisdictions normal real property taxes, as determined without giving effect to the assessed value of the Facility).

(1) (c) Term and Termination. The term of this Agreement will begin on the date of this Agreement and end on November 30, 2035. The first payment under this Agreement shall be due as of the first day of December every year thereafter and expire on November 30, 2035. The Agreement may be terminated (a) at any time by mutual written agreement of the Parties; (b) in the event of a default, by either Party upon fifteen (15) days prior written notice to the other; (c)

immediately in the event the Company has filed, or has had filed against it, a petition in Bankruptcy, or is otherwise insolvent; or (d) in the event the Project is not constructed.

(2) (b) Representations of Company. The Company hereby represents, warrants, and covenants that, as of the date of this Agreement:

- (i) The Company is duly authorized to do business in the State of New York, has requisite authority to conduct its business as presently conducted or proposed to be conducted under this Agreement, and has full legal right, power, and authority to execute, deliver, and perform all applicable terms and provisions of this Agreement.
- (ii) No governmental approval by or with any government authority is required for the valid execution, delivery, and performance under this Agreement by the Company except such as have been duly or will be obtained or made.
- (iii) There is no action, suit, or proceeding, at law or in equity, or official investigation before or by any government authority pending or, to its knowledge, threatened against the Company, wherein an anticipated decision, ruling, or finding would result in a material adverse effect on the Company's ability to perform its obligations under this Agreement or on the validity or enforceability of this Agreement.
- (iv) The conduct of the Company's business is in compliance with all applicable Federal, State and local laws, rules, regulations and ordinances, and governmental approvals.

(3) (a) Special district charges, special assessments, and special *ad valorem* levies, unless otherwise exempt, and all water and sewer charges, if any, are to be paid in full in accordance with normal billing practices.

(3) (b) The Company shall pay to the Taxing Jurisdictions by October 1 (for exemption year 1, October 1 corresponds to October 1, 2020) the amounts set forth in paragraph 1(b), comprising each Taxing Jurisdiction's proportionate amount of the annual payments set forth in paragraph 1(b)(ii), based on each Taxing Jurisdiction's respective share of the total tax rate that would have been applicable to the assessed value of the Premises attributable to the Facility and other improvements to be constructed thereon by the Company as if they were taxable. (Any special district charge/fee is not included in this calculation).

The Agency shall be responsible for billing the aforesaid amounts and remitting payment to the Taxing Jurisdictions. In lieu of a lump sum payment, the Agency reserves the right to bill the increments due each Taxing Jurisdiction in installments, as they would customarily be due each jurisdiction, provided the installments do not exceed the amount scheduled in any tax year as referenced in Schedule 1.

(3) (c) If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with interest, penalties, fees and costs thereon, to the extent permitted by law, at the same rate per annum as if such amounts were delinquent taxes, until so paid in full.

(4) In the event that the Sublease and the Subleaseback are terminated, such that the Agency no longer holds a lease hold interest in the Premises and the Facility and can no longer provide exemption from real property taxes, or if for any other reason the Agency can no longer provide exemption from real property taxes as contemplated by this Agreement, the Company will have the right to terminate this Agreement without further liability; provided that if the Facility cannot be added to the assessment roll by the Herkimer County Department of Assessment until the following tax year, and unless the Company is eligible for continued full or partial tax exemption under some other tax incentive program, the Company will pay, no later than the next tax lien date (plus any applicable grace period), to the Taxing Jurisdictions an amount which would have been levied on the Facility with respect to the tax year in which all rights in the Facility have reverted to the Company if the Facility had been classified as fully or partially taxable, as applicable, during such year, *pro rata* for the portion of such year following the date on which rights in the Facility have reverted to the Company.

The Company agrees that in the event the Facility covered by this Agreement is sold, the purchaser or transferee will be required by the Company to continue to make payments in lieu of taxes according to the terms of this Agreement until such time as the Premises and the Facility have been returned to the taxable assessment rolls and payment of property taxes becomes due according to the Real Property Tax Law of the State of New York. Any amounts paid in lieu of taxes will be eligible for proration up to the time of payments of property taxes.

The intent of this paragraph is to ensure that the current and future owners are at all times paying either the payment in lieu of taxes or real estate taxes as assessed from time to time on the property conveyed. There shall be no duplication of payments in any year.

(5) Any increase in generating capacity to the Project or on the Property shall result in an additional payment to be negotiated by the Parties.

(6) Notwithstanding the leasehold interest of the Agency in the Premises and the Facility, the Company shall have all of the rights and remedies of a taxpayer with respect to any tax, service charge, special benefit, *ad valorem* levy, assessment, or special assessment or service charge in lieu of which the Company is obligated to make a payment pursuant to this Agreement.

(7) Following the expiration of the term of the Subleaseback Agreement executed concurrently herewith, (i) the Company shall thereafter pay 100% of all such taxes which would be due but for the Agency's leasehold interest in the Facility based on the then-current assessment, to the extent required by applicable law, and (ii) this Agreement will terminate and the Company shall have no further payment obligations under this Agreement.

(8) While the Agency holds a leasehold interest in the Facility, to the extent permitted by law, the Company shall have all of the rights and remedies of a taxpayer with respect to any proposed assessment or change in assessment of the Premises or the Facility by any of the Taxing

Jurisdictions and likewise shall be entitled to protest before and be heard by the appropriate assessors or Board of Assessment Review, and shall be entitled to take any and all appropriate appeals or initiate any proceedings to review the validity or amount of any assessment or the validity or the amount of any tax equivalent provided for herein. The Agency agrees to sign any papers, petitions, notices or other documents to permit the Company to contest assessments of the Project Facility and to otherwise cooperate, at the Company's or tenant's cost, with efforts of the Company or tenant to contest assessments of the Project Facility.

(9) To the extent the Premises or the Facility are declared to be subject to general real property taxation by an amendment to the Act, other legislative change, or by final judgment of a Court of competent jurisdiction, the obligations of the Company under this Agreement with respect to payments in lieu of tax shall, to such extent, be null and void.

(10) If payments are not made as provided for herein, the Agency and/or the Taxing Jurisdictions, collectively, shall be entitled to pursue any and all remedies afforded a municipal taxing entity at law or in equity.

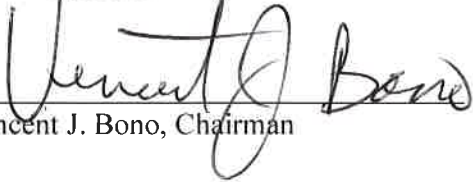

(11) The rights and obligations of the Company hereunder may not be assigned, transferred or assumed without the prior written consent of the Agency which consent shall not be unreasonably withheld or delayed.
