

INDUCEMENT AND PROJECT AGREEMENT

This INDUCEMENT AND PROJECT AGREEMENT (the “Agreement”) is between the HERKIMER COUNTY INDUSTRIAL DEVELOPMENT AGENCY, 420 East German Street, Suite 101A, Herkimer, New York 13350 (the “Agency”) and SUNEAST GRASSY KNOLL SOLAR LLC, 7000-100 King Street West, Toronto, Ontario M5X 1A9 (the “Company”).

ARTICLE I PRELIMINARY STATEMENT

Among the matters of mutual inducement which have resulted in the execution of this Agreement are the following:

1.01. The Agency is authorized and empowered by the provisions of Article 18-A of the General Municipal Law of the State of New York as amended, and Chapter 898 of the Laws of 1970 of the State of New York (collectively, the “Act”) to provide financial assistance to “Projects” (as defined in the Act) and to acquire title to Projects and to lease or sell the same upon such terms and conditions as the Agency may deem advisable.

1.02. The purposes of the Act are (i) to promote industry and develop trade by inducing manufacturing, industrial, warehousing, research, recreation and commercial enterprises to locate or remain in the State and (ii) to encourage and assist in the providing of industrial pollution control facilities. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes, including the power to provide assistance through sales tax, mortgage tax and real property tax incentives.

1.03. The Company has requested that the Agency provide Assistance in the renovation, construction, equipping, and financing of a renewable energy facility to be located in Herkimer County, New York (said facilities and equipment hereinafter are referred to as the “Facility”) and lease and/or sublease with an obligation to leaseback the Facility to the Company.

1.04. The Company hereby represents to the Agency that (other than is permitted by law) the financing of the Facility through the Assistance will not result in the removal of an industrial or manufacturing plant from one area of the State to another area of the State or the abandonment of one or more plants of the Company located in the State.

1.05. The Agency has determined that the acquisition, constructing and equipping of the Facility, as described in the Company’s application to the Agency (the “Application”) and the leasing or sale thereof to the Company will promote and further the purposes of the Act.

1.06. On September 23, 2021 the Agency adopted a resolution (the “Resolution”) agreeing to undertake the Assistance in order to assist the Company and to effectuate the purposes of the Act and, subject to the happening of all acts, conditions and things required precedent to such assistance and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate.

1.07. On March 23, 2023, the Company filed an updated application (the “Updated Application”) increasing and updating the Facility.

1.08. On May 30, 2023, the Agency adopted an Amended Inducement Resolution (the “Amended Resolution”) reaffirming its agreement to undertake the Assistance in order to assist the Company.

1.09. In the Amended Resolution, the Agency appointed the Company its agent for the purposes of acquiring, constructing, equipping, and financing the Facility, entering into contracts and doing all things requisite and proper for completing the Facility.

1.10. In the Resolution, the Agency contemplates that it will provide assistance to the Company in the form of exemptions from sales tax (value estimated at \$2,040,923.00), exemptions from mortgage recording tax (value estimated at \$266,679.00) and exemptions from real property taxes (value estimated at \$527,251.00) over the first seven (7) years of the PILOT but negative \$251,379.00 over fifteen (15) years (collectively, the “Assistance”), to be more particularly described in a final authorizing resolution.

1.11. Attached as Exhibit A to this Agreement is a representative copy of the PILOT Agreement that reflects the Assistance currently contemplated by the Agency in the Resolution.

ARTICLE II UNDERTAKINGS ON THE PART OF THE AGENCY

Based upon the statements, representations and undertakings of the Company regarding the Facility and subject to the conditions set forth herein, the Agency agrees as follows:

2.01. Upon satisfactory completion of the conditions precedent set forth herein and in the Resolution and the satisfactory completion of such additional acts and reviews as the Agency may deem appropriate, the Agency will adopt, or cause to be adopted, such proceedings and authorize the execution of such documents as may be necessary or advisable for (i) the acquisition by deed or lease and the construction, equipping, and financing of the Facility, and (ii) the assignment of the rights and delegation of duties respecting the Facility to the Company, all as shall be authorized by law and by mutually satisfactory to the Agency and the Company.

2.02. The Agency will take title to or a leasehold interest in the Facility pursuant to a Lease Agreement and or Sublease Agreement entered into between the Company, as Lessor and the Agency as Lessee (the “Lease Agreement”) and will enter into a Leaseback and/or Sub-leaseback Agreement respecting the Facility with the Company (the “Leaseback Agreement”). The Lease Agreement shall contain all provisions required by law and such other provisions as shall be mutually acceptable to the Agency and the Company.

2.03. The Agency will take or cause to be taken such other acts and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in the pursuance thereof.

2.04. Within thirty (30) days after appointing the Company as its agent and pursuant to Section 874(9) of the Act, the Agency agrees to file with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the “Thirty-Day Sales Tax Report”), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease.

ARTICLE III UNDERTAKINGS ON THE PART OF THE COMPANY

Based upon the statements, representations and undertakings of the Agency herein and in the Resolution and subject to the conditions set forth herein and in the Resolution, the Company agree as follows:

3.01. The Company hereby accepts the appointment made by the Agency in the Resolution to be the true and lawful agents of the Agency to (i) construct, renovate, equip, and finance the Facility and (ii) make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents of the Agency, and in general to do all things which may be requisite or proper for completing the Facility, all with the same powers and the same validity as the Agency could do if acting on its own behalf. The Company shall file with the New York State Department of Taxation and Finance an annual statement of the value of all sales and use tax exemptions claimed in connection with the Facility in compliance with Section 874(8) of the Act.

3.02. The Company will, to the extent deemed by it to be necessary or desirable, enter into a contract or contracts for the acquisition, construction, equipping, and financing of the Facility (including any necessary contracts for the acquisition of real property necessary or useful in said Facility) and, on mutually agreeable terms and conditions, it will transfer to the Agency, or cause to be transferred to the Agency title to the land and all improvements comprising the Facility.

3.03. The Agency will enter into the Sublease Agreement with the Company or designated company provided said company is an applicant containing, among other things, the terms and conditions described in Section 2.02 hereof and together with Company enter into such other financing agreements, indentures, guarantees, and related agreements as shall be necessary or appropriate to the Company.

3.04. (a) The Company shall not permit to stand, and will, at its own expense, take all steps reasonably necessary to remove (or bond the same if acceptable to the Agency and its counsel), any mechanics’ or other liens against the Facility for labor or materials furnished in connection with the renovation, construction, and equipping of the Facility. The Company shall forever defend, indemnify and hold the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, harmless from and

against all costs, losses, expenses, claims, damages and liabilities of whatever kind or nature arising, directly or indirectly, out of or based on labor, services, materials and supplies, including equipment, ordered or used in connection with the renovation, construction and equipping of the Facility or arising out of any contract or other arrangement therefor (and including any expenses of the foregoing), whether such claims or liabilities arise as a result of the Company acting as agent for the Agency pursuant to this Agreement or otherwise.

(b) The Company shall forever defend, indemnify and hold harmless the Agency, its members, officers, employees and agents, and anyone for whose acts or omissions the Agency or any of them may be liable, from and against all claims, causes of action, liabilities and expenses howsoever arising for loss or damage to property or any injury to or death of any person (including, without limitation, death of or injury to any employees of the Company) that may occur subsequent to the date hereof by any cause whatsoever in relation to the Facility, including the failure to comply with the provisions of Article 3.04 hereof, or arising, directly or indirectly, out of the ownership, construction, renovation, operation, maintenance, repair or financing of the Facility, and including, without limitation, any expenses incurred by the Agency in defending any claims, suits or actions which may arise as a result of the foregoing, including any proceedings or actions commenced challenging the actions of the Agency in regards to the Assistance or the Facility.

(c) The defense and indemnities provided for in this Article 3 shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its member, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

(d) The Company shall provide and carry worker's compensation and disability insurance as required by law and comprehensive liability insurance with such coverages (including, without limitation, owner's protection for the benefit of the Agency contractual coverage covering the indemnities herein provided for), with such limits and with such Company as may be approved by the Agency with the Agency in all cases named as an "added insured." Upon the request of the Agency, the Company shall provide certificates of insurance in form satisfactory to the Agency evidencing such insurance.

3.05. The Company agrees that, as agent for the Agency or otherwise, they will comply with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or the Company with respect to the Facility, the acquisition, construction, equipping, and financing thereof, the operation and maintenance of the Facility and the financing thereof. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full; and upon the request of either party, this Agreement shall be amended to specifically set forth any such provision or provisions. The Company certifies, under penalty of perjury, that it is in substantial compliance with all local, state and federal tax, worker protection and environmental laws, rules and regulations.

3.06. The Company will take such further action and adopt such further proceedings as may be required to implement its aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.07. If it should be determined that any State or local sales or compensatory use taxes are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Facility, or are in any manner otherwise payable directly or indirectly in connection with the Facility, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.08 The Company acknowledges that the Assistance shall be subject to modification, suspension or discontinuance in accordance with the policies adopted by the Agency.

3.09 In accordance with Section 875(3) of the General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to recapture of any and all Assistance if it is determined by the Agency that:

If the Agency determines to recapture any Assistance, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s), unless agreed to otherwise by any tax jurisdiction(s). The Company further understands and agrees that in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

3.10 In order to accomplish the foregoing and to assist the Agency in preparing its annual compliance report, the Company shall provide annually, to the Agency, a certified statement and documentation in substantially the form attached hereto as Exhibit B, as well as such payroll and employment data as may be reasonably be requested to demonstrate compliance with job creation requirements.
