NOW, THEREFORE, in consideration of the matters above recited, the parties hereto formally covenant, agree and bind themselves as follows, to wit:

ARTICLE II COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF THE FACILITY.

(A) Assessment of the Facility. Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon acquisition of the Facility Premises by the Agency and the filing by the Agency of a New York State Board of Real Property Services Form RP-412-a with respect to the Facility, and for so long thereafter as the Agency shall have an interest in the Facility, the Facility shall be assessed by the various taxing entities having jurisdiction over the Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities," and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest in the Facility created by the Underlying Lease and the filing of the Real Property Tax Exemption Form. The Company shall, promptly, following acquisition by the Agency of the leasehold interest in the Facility created by the Underlying Lease, take such action as may be necessary to ensure that the Facility shall be assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, including ensuring that a Real Property Tax Exemption Form shall be filed with the appropriate officer or officers of each respective Taxing Entity responsible for assessing properties on behalf of each such Taxing Entity (each such officer being hereinafter referred to as an "Assessor"). For so long thereafter as the Agency shall own such leasehold interest in the Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The parties hereto understand that the Facility shall not be entitled to such tax-exempt status on the tax rolls of any Taxing Entity until the first tax year of such Taxing Entity following the tax status date of such Taxing Entity occurring subsequent

to the date upon which the Agency becomes the owner of record of such leasehold interest in the Facility Premises and the Real Property Tax Exemption Form is filed. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay all taxes and assessments lawfully levied and/or assessed against the Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Facility shall be entitled to exempt status on the tax rolls of the respective Taxing Entities. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Facility.

To the extent any of the Equipment is deemed taxable as real property it shall be included, for purposes of this Agreement, as part of the Facility.

(B) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Facility Premises.

(C) Facility Tax-Exempt/Facility Parcel Taxable. Notwithstanding anything contained in this Payment in Lieu of Tax Agreement to the contrary, the Agency and the Company understand that only the Facility shall be entitled to the real property tax exemption contemplated herein, that only the Facility shall be assessed by the various taxing entities having jurisdiction over the Facility Premises as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of the leasehold interest in the Facility Premises created by the Underlying Lease and the filing of the Real Property Tax Exemption Form RP-412-a for the Facility. The Agency shall not file a Real Property Tax Exemption Form RP-412-a for the Facility Parcel and the Facility Parcel shall remain on the taxable roll of the respective Taxing Entities and, as such, regular and customary real property tax bills shall be due and payable as may be issued by the Taxing Entities from time to time for the Facility Parcel.

(D) Battery Storage. The parties hereto understand that the exemptions contemplated by this Payment In Lieu Of Tax Agreement do not extend to battery storage modules or facilities, which, if added to the Project are the subject to assessment and/ or a modification of the PILOT to account for their value.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) Agreement to Make Payments. The Company agrees that it shall make annual payments in lieu of property taxes in the amounts hereinafter provided to the Agency. The Agency agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The Agency shall be responsible for billing for the aforesaid payments. The payments due hereunder shall be paid by the Company to the Agency for distribution to the respective appropriate officer or officers of the respective Taxing Entities charged with receiving payments of taxes for such Taxing Entities (such officers being collectively hereinafter referred to as the "Receivers of Taxes") for distribution by the Receivers of Taxes to the appropriate Taxing Entities entitled to same pursuant to the provisions hereof.

(B) Valuation of the Facility Premises. (1) The value of the Facility Premises (hereinafter referred to as the “Assessed Value”) shall be determined by the appropriate Assessors. The Agency agrees to give the Assessors a copy of this Payment in Lieu of Tax Agreement. The parties hereto agree that the Assessors shall (a) appraise the Facility Premises, including separate assessments for the Facility and the Facility Parcel, in the same manner as other similar properties, taking into account any regulatory agreements and tenant income restrictions to the extent applicable, in the general area of the Facility Premises, and (b) place an Assessed Value upon the Facility Premises, including separate assessments for the Facility and the Facility Parcel, equalized if necessary, by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial determination of the Assessed Value and of any change in the Assessed Value.

(2) If the Company is dissatisfied with the amount of the Assessed Value of the Facility Premises as initially established or as thereafter changed, the Company shall have all rights and remedies under the laws of the State of New York to challenge the Assessed Value. The Company shall, at least sixty (60) days prior to any application seeking change in assessment, provide written notice to the Agency and the affected taxing jurisdictions. Any payments in lieu of taxes due upon the Facility pursuant to Section 2.02(C) hereof may not be withheld by the Company pending any proceeding to challenge the Assessed Value.

(C) Amount of Payments in Lieu of Taxes. The payments in lieu of taxes to be paid by the Company to the Agency annually on behalf of each Taxing Entity pursuant to the terms of this Payment in Lieu of Tax Agreement shall be computed as follows, without regard to the Assessed Value:

(1) Except as provided in paragraph (2) below, in each tax year during the term of this Payment in Lieu of Tax Agreement, commencing on the first tax year following the date on which the Facility shall be assessed as exempt on the assessment roll of any Taxing Entity, the amount payable by the Company to the Agency on behalf of each Taxing Entity as a payment in lieu of property tax pursuant to this Payment in Lieu of Tax Agreement shall be the applicable amount as shown in the following table:

Tax Year Commencing After the Tax Status Date Following the Agency’s Acquisition of its Leasehold Interest	Payment In Lieu Of Tax
1	\$100,000.00
2-15	The payment shall be increased annually by an amount equal to 2% of the prior tax year’s payment
16 and thereafter during the term of this Payment in Lieu of Tax Agreement	The real property taxes due if Project Facility were owned by Company and not leased to the Agency

Based upon the data provided by the Company to the Agency, payments to the Tax Entities (to wit: Dolgeville and Little Falls City) are estimated to be: Dolgeville - 70% / Little Falls - 30%, with the actual allocation to be determined based upon the final megawatt capacity constructed in each school district and reflected on an As-Built Survey provided by the Company.

(2) The parties recognize that the purpose of the Project is to encourage the use of renewable energy, reduce the cost of local energy and create or retain permanent private sector jobs in Cortland County. The parties acknowledge that the Payment in Lieu of Tax set forth herein was calculated based on the Project consisting of a solar photovoltaic facility with an approximate 20 megawatt capacity (20 MWac) at a rate of \$5,000.00 per megawatt. Accordingly, the parties have agreed that the amount of payments in lieu of taxes payable with respect to the Project Facility shall bear a direct relationship to the success or lack of success of the Project in achieving this goal. Therefore, on or before November 1 of each calendar year during the term of this Payment in Lieu of Tax Agreement, the Company shall file with the Agency an affidavit indicating the total AC megawatt capacity of the Project Facility. In the event the total AC megawatt capacity of the Project Facility exceeds 7.5, then the Payment in Lieu of Tax required hereunder shall increase proportionally based on \$5,000.00 per megawatt or fraction thereof. In the event the total AC megawatt capacity of the Project Facility is less than 7.5, then the Payment in Lieu of Tax required hereunder shall not be reduced and shall remain \$100,000.00 plus the then applicable annual 2% increase.

If the Company fails to file such an affidavit with the Agency on or before November 1 of a calendar year then, notwithstanding anything contained herein to the contrary, the Company shall, at the option of the Agency, pay an amount equal to the greater of the PILOT payment or the real property taxes which would otherwise be due if the Project Facility were owned by the Company and not leased to the Agency for that year.

(D) Additional Amounts in Lieu of Taxes. Commencing on the first tax year following the date on which any structural addition shall be made to the Facility Premises or any portion thereof or any additional building or other structure shall be constructed on the Facility Parcel (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities") the Company agrees to make additional annual payments in lieu of property taxes (such additional payments being hereinafter collectively referred to as "Additional Payments") to the Agency with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if such Additional Facilities were owned by the Company and not the Agency as follows: (a) multiply the Additional Assessed Value (as hereinafter defined) of such Additional Facilities determined pursuant to subsection (E) of this Section 2.02 by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reduce the amount so determined by the amounts of any tax exemptions that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each fiscal tax year during the term of this Payment in Lieu of Tax Agreement (commencing in the fiscal tax year when such Additional Facilities would first appear on the assessment roll of any Taxing Entity) if such Additional Facilities were owned by the Company and not the Agency, the amount payable by the Company to the Agency on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Payment in Lieu of Tax Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such fiscal tax year (unless the Agency and the Company shall enter into a separate written agreement regarding payment om lieu of properly taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

(E) Valuation of Additional Facilities.

(1) The value of Additional Facilities for purposes of determining payments in lieu of taxes due under Section 2.02(D) hereof shall be determined by the Assessors of each respective Taxing Entity. The parties hereto agree that the Assessors shall (a) appraise the Additional Facilities in the same manner as other similar properties, taking into account any regulatory agreements and tenant income restrictions to the extent applicable, in the general area of the Facility Premises, and (b) place a value for assessment purposes (hereinafter referred to as the "Additional Assessed Value") upon the Additional Facilities, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes. The Company shall be entitled to written notice of the initial establishment of such Additional Assessed Value and of any change in such Additional Assessed Value.

(2) If the Company is dissatisfied with the amount of the Additional Assessed Value of the Additional Facilities as initially established or as changed, and if the Company shall have given written notice of such dissatisfaction to the appropriate Assessor and the Agency within thirty (30) days of receipt by the Company of written notice of the initial establishment of such Additional Assessed Value, or of a change in such Additional Assessed Value, then the Company shall be entitled to protest before, and to be heard by, the appropriate Assessor and undertake any and all necessary or desired proceedings to complete a challenge of such Additional Assessed Value. Any payments in lieu of taxes due upon such Additional Facilities pursuant to Section 2.02(D) hereof may not be withheld by the Company pending determination of the Additional Assessed Value.

(F) Subsequent Valuation of Existing Facilities; Limitations of Time.

Notwithstanding anything to the contrary contained in this Payment in Lieu of Tax Agreement, in the event the amount billed and/or collected pursuant to this Payment in Lieu of Tax Agreement exceeds the annual amount as adjusted and determined by the local taxing jurisdiction, the Payment in Lieu of Tax payment shall be reduced to the maximum amount which would otherwise be due and payable to the taxing jurisdictions. Should the Company determine it is entitled to a refund as provided under Article 7 of the Real Property Tax Law or a reduction in payment under Section 854(17) of the General Municipal Law because the PILOT payment exceeds the amount or portion thereof of real property taxes which would otherwise be due and without regard to applicable statute of limitation, any claim for a refund must be reported and filed

with the Agency within 180 days of the closure of the tax rolls. The Agency reserves the right to apply any request for refunds against future PILOT payments.

(G) Statements. Pursuant to Section 858(15) of the Act, the Agency agrees to give each Taxing Entity a copy of this Payment in Lieu of Tax Agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy hereof be given to the appropriate officer or officers of the respective Taxing Entities responsible for preparing the tax rolls for said Tax Entities (each, a "Tax Billing Officer") and a request that said Tax Billing Officers submit to the Company and to the appropriate Receiver of Taxes periodic statements specifying the amount and due date or dates of the payments due each Taxing Entity hereunder, such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such Taxing Entities.

(H) Time of Payments. The Company agrees to pay the amounts due hereunder to the Agency on or before January 1 of each calendar year during the term of this Agreement, such payments to commence on the first January 1 immediately following the tax status date of the Taxing Entity occurring subsequent to the date upon which the Agency becomes the owner of record of such leasehold interest in the Project Facility and the Real Property Tax Exemption Form is filed. The Company shall be entitled to receive receipts for such payments.

(I) Method of Payment. All payments by the Company hereunder shall be paid to the Agency in lawful money of the United States of America. The Agency shall in turn distribute the amounts so paid to the various Taxing Entities entitled to same in proportion to the amount of real property taxes which would have been received by each Taxing Entity had the Project Facility been owned by the Company and not leased to the Agency.

SECTION 2.03. CREDIT FOR TAXES PAID.

(A) Amount of Credit. The parties hereto acknowledge and agree that the obligation of the Company to make the payments provided in Section 2.02 of this Payment in Lieu of Tax Agreement shall be in addition to any and all other taxes and governmental charges of any kind whatsoever which the Company may be required to pay under the Lease Agreement. It is understood and agreed, however, that should the Company pay in any fiscal tax year to any Taxing Entity any amounts in the nature of general property taxes, general assessments, service charges or other governmental charges of a similar nature levied and/or assessed upon the Facility Premises or the interest therein of the Company or the occupancy thereof by the Company (but not including, by way of example, (1) sales and use taxes, and (2) special assessments, special ad valorem levies or governmental charges in the nature of utility charges, including but not limited to water, solid waste, sewage treatment or sewer or other rents, rates or charges), then the Company's obligation to make payments in lieu of property taxes attributed to such fiscal tax year to such Taxing Entity hereunder shall be reduced by the amounts which the Company shall have so paid to such Taxing Entity in such fiscal tax year, but there shall be no cumulative or retroactive credit as to any payment in lieu of property taxes due to any other Taxing Entity or as to any payment in lieu of property taxes due to such Taxing Entity in any other fiscal tax year.

(B) Method of Claiming Credits. If the Company desires to claim a credit against any particular payment in lieu of tax due hereunder, the Company shall give the governing body of the affected Taxing Entity and the Agency prior written notice of its intention to claim any credit pursuant to the provision of this Section 2.03, said notice to be given by the Company at least thirty (30) days prior to the date on which such payment in lieu of tax is due pursuant to the provisions of Section 2.02(G) hereof. In the event that the governing body of the appropriate Taxing Entity desires to contest the Company's right to claim such credit, then said governing body, the Agency and the Company shall each select an arbitrator in accordance with the rules of the American Arbitration Association, each of whom shall meet the qualifications set forth in Section 2.02(9) hereof, which arbitrators shall, at the sole cost and expense of the Company, determine whether the Company is entitled to claim any credit pursuant to the provisions of this Section 2.03 and, if so, the amount of the credit to which the Company is entitled. It is understood that the arbitrators are empowered to confirm the amount of the credit claimed by the Company or to determine a lower or higher credit. When the Company shall have given notice, as provided herein, that it claims a credit, the amount of any payment in lieu of property taxes due hereunder against which the credit may be claimed may be withheld (to the extent of the credit claimed by the Company, but only to the extent that such credit may be claimed against said payment in lieu of taxes pursuant to the provisions of this Section 2.03) until the decision of the arbitrators is rendered. After the decision of the arbitrators is rendered, the payment in lieu of taxes due with respect to any reduction or disallowance by the arbitrators in the amount of the credit claimed by the Company shall, to the extent withheld as aforesaid, be immediately due and payable and shall be paid by the Company within thirty (30) days of said decision.

SECTION 2.04. LATE PAYMENTS.

(A) First Month. Pursuant to Section 874(5) of the Act, if the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due, the Company shall pay the same, together with a late payment penalty equal to five percent (5%) of the amount due,

(B) Thereafter. If the Company shall fail to make any payment required by this Payment in Lieu of Tax Agreement when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the Agency and the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same together with (1) a late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would be payable if such amount were delinquent taxes, until so paid in full.

ARTICLE III LIMITED OBLIGATION

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY.

(A) No Recourse. All obligations, covenants, and agreements of the Agency contained in this Payment in Lieu of Tax Agreement shall be deemed to be the obligations, covenants and

agreements of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this Payment in Lieu of Tax Agreement, or otherwise based upon or in respect of this Payment in Lieu of Tax Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Payment in Lieu of Tax Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement, it being expressly understood that this Payment in Lieu of Tax Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Payment in Lieu of Tax Agreement under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Payment in Lieu of Tax Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Payment in Lieu of Tax Agreement by the Agency.

(B) Limited Obligation. The obligations, covenants and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or Cortland County, New York, and neither the State of New York nor Cortland County, New York shall be liable thereon and, further, such obligations, covenants and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Facility Premises (except for revenues derived by the Agency with respect to the Unassigned Rights, as defined in the Lease Agreement).

(C) Further Limitation. Notwithstanding any provision of this Payment in Lieu of Tax Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company to defend and hold harmless the Agency satisfactory to the Agency for protection against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events shall constitute an event of default under this Payment in Lieu of Tax Agreement, and the terms “Event

of Default” or “default” shall mean, whenever they are used in this Payment in Lieu of Tax Agreement, any one or more of the following events:

(A) Failure of the Company to pay any amount due and payable by the Company pursuant to this Payment in Lieu of Tax Agreement and continuance of said failure for a period of fifteen (15) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period and if the Company shall have commenced action to cure the breach of covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for so long as the Company shall require in the exercise of due diligence to cure such default, it being agreed that no such extension shall be for a period in excess of ninety (90) days in the aggregate from the date of default; or

(C) Any warranty, representation or other statement by or on behalf of the Company contained in this Payment in Lieu of Tax Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Payment in Lieu of Tax Agreement and (1) shall be materially adverse to the Agency at the time when the notice referred to below shall have been given to the Company and (2) if curable, shall not have been cured within thirty (30) days after written notice of such incorrectness shall have been given to a responsible officer of the Company, provided that if such correctness cannot reasonably be cured within said thirty-day period and the Company shall have commenced action to cure the incorrectness within said thirty-day period and, thereafter, diligently and expeditiously proceeds to cure the same, such thirty-day period shall be extended for so long as the Company shall require, in the exercise of due diligence, to cure such default.

SECTION 4.02. REMEDIES ON DEFAULT.

(A) General. Whenever any Event of Default shall have occurred with respect to this Payment in Lieu of Tax Agreement, the Agency (or if such Event of Default concerns a payment required to be made hereunder to any Taxing Entity, then with respect to such Event of Default such Taxing Entity) may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Payment in Lieu of Tax Agreement.

(B) Cross-Default. In addition, an Event of Default hereunder shall constitute an event of default under Article X of the Lease Agreement. Upon the occurrence of an Event of Default hereunder resulting from a failure of the Company to make any payment required hereunder, the Agency shall have, as a remedy therefor under the Lease Agreement, among other remedies, the right to terminate the Lease Agreement and convey the Project Facility to the Company, thus

subjecting the Project Facility to immediate full taxation pursuant to Section 520 of the Real Property Tax Law of the State.

(C) Separate Suits. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises.

(D) Venue. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Payment in Lieu of Tax Agreement may be brought in the courts of record of the State, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEYS' FEES AND EXPENSES.

Pursuant to Section 874(6) of the Act, if the Company should default in performing any of its obligations, covenants or agreements under this Payment in Lieu of Tax Agreement and the Agency or any Taxing Entity should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor, pay to the Agency or such Taxing Entity, as the case may be, not only the amounts adjudicated due hereunder, together with the late payment penalty and interest due thereon, but also the reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE.

(A) No Remedy Exclusive. No remedy herein conferred upon or reserved to the Agency or any Taxing Entity is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Payment in Lieu of Tax Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay. No delay or omission in exercising any right or Power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required. In order to entitle the Agency or any Taxing Entity to exercise any remedy reserved to it in this Payment in Lieu of Tax Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Payment in Lieu of Tax Agreement.

(D) No Waiver. In the event any provision contained in this Payment in Lieu of Tax Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or

modification of this Payment in Lieu of Tax Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V MISCELLANEOUS

SECTION 5.01. TERM.

(A) General. Unless otherwise provided by amendment hereof, this Payment in Lieu of Tax Agreement shall continue to remain in effect until the earlier to occur of (1) January 31, 2038 or (2) the date on which the Facility Premises is reconveyed by the Agency to the Company pursuant to the Lease Agreement.

(B) Extended Term. In the event that (1) the Facility Premises shall be reconveyed to the Company, (2) on the date on which the Company obtains the Agency's interest in the Facility Premises, the Facility Premises shall be assessed as exempt upon the assessment roll of any one or more of the Taxing Entities, and (3) the fact of obtaining the Agency's interest in the Facility Premises shall not immediately obligate the Company to make pro-rata tax payments pursuant to legislation similar to Chapter 635 of the 1978 Laws of the State (codified as subsection 3 of Section 302 of the Real Property Tax Law and Section 520 of the Real Property Tax Law), this Payment in Lieu of Tax Agreement shall remain in full force and effect and the Company shall be obligated to make payments to the Receiver of Taxes in amounts equal to those amounts which would be due from the Company if the Facility Premises were owned by the Company and not the Agency until the first tax year in which the Company shall appear on the tax rolls of the various Taxing Entities having jurisdiction over the Facility Premises as the legal owner of record of the Project Facility.
