German Street, Suite 101A, Herkimer, New York 13350 (the “Agency”).

WITNESSETH:

WHEREAS, Title 1 of Article 18 A of the General Municipal Law of the State of New York (the “Act”) was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York (the “State”); and

WHEREAS, the Act authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and sell land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, housing, commercial or industrial facilities, including industrial pollution control facilities, in order to advance job opportunities, health, general prosperity and the economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Act further authorizes each such industrial development agency to lease any or all of its facilities at such rentals and on such other terms and conditions as it deems advisable, to issue its bonds for the purpose of carrying out any of its corporate purposes and, as security for the payment of the principal and redemption price of, and interest on, any such bonds so issued and any agreements made in connection therewith, to mortgage any or all of its facilities and to pledge the revenues and receipts from the leasing of its facilities; and

WHEREAS, the Company has requested that the Agency (the “Agency”) undertake a project (the “Project”) consisting of the following: (A) acquisition, construction, leasing and equipping of a warehouse, storage facility and office space (collectively, the “Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions from sales taxes, exemptions from mortgage recording taxes and reduction of real property taxes (collectively, the “Financial Assistance”); and (C) the lease of the Facility to Agency and leaseback of the Facility to the Company or such other person as may be designated by the Company and agreed upon the Agency; and

WHEREAS, in order to provide such Financial Assistance to the Company under the Act, the Agency requires, among other things, that the Owner and the Agency enter into certain lease/leaseback transactions and other associated agreements dated of even date herewith (collectively, the “Transaction Documents”); and

WHEREAS, based upon representations made by the Company in its Application for Financial Assistance, the Agency determined that the Project will promote employment opportunities and prevent economic deterioration in Herkimer County by filling the demand for warehousing/commercial facilities and for attracting a quality workforce to the region; and

WHEREAS, the Agency has appointed the Company and its agents and designees as its agent for the purposes of acquiring the Land and construction and equipping the Facility; and

WHEREAS, pursuant to a Lease Agreement dated of even date herewith between the Owner as Lessor and the Agency as Lessee (the "Lease Agreement"), the Company has agreed to lease the Facility to the Agency for a ten-year period (10) commencing June 1, 2026 and ending May 31, 2036 (the "Lease Term"); and

WHEREAS, pursuant to the Leaseback Agreement dated as of June 1, 2026 (the "Leaseback Agreement"), the Agency is leasing the Facility back to the Owner for the Lease Term; and

WHEREAS, the Agency wishes to condition the Financial Assistance upon the Company completing the Facility as described.

NOW THEREFORE, for good and valuable consideration and in consideration of the Owner entering into the Lease and Leaseback Agreement, the Company hereby covenant and agree as follows:

1. Representations and Covenants. The Company makes the following representations and covenants as the basis for the undertakings on its part herein contained:
 - (a) It has power to enter into and to execute and deliver this Agreement.
 - (b) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby nor the fulfillment of or compliance with the provisions of this Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of any corporate restriction or any agreement or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing, or result in the creation or imposition of any lien of any nature upon any of the property of the Company under the terms of any such instrument or agreement.
 - (c) The providing of the Facility by the Agency and the leasing thereof by the Agency to the Company will not result in the removal of a plant facility or another commercial activity of the Company from one area of the State to another area of the State nor result in the abandonment of one or more plants or facilities of the Company located within the State.
 - (d) The operation of the Facility will conform in all material respects with all applicable zoning, planning, building and environmental laws and regulations of governmental authorities having jurisdiction over the Facility, and the Company shall defend,

indemnify and hold the Agency harmless from any liability or expenses resulting from any failure by the Company to comply with the provisions of this subsection (d).

- (e) There is no litigation pending or, to the knowledge of the Company, threatened, in any court, either state or federal, to which the Company is a party, and in which an adverse result would in any way diminish or adversely impact on the ability of the Company to fulfill its obligations under this Agreement.

2. Project and Investment Obligations. The financial assistance granted by the Agency is conditioned upon the Applicants constructing its Project as represented in its Application within two years of the date of this Agreement (the “Project Obligation”). If, after two years or upon completion of the Project, the Project is not completed in accordance with the Project Obligation, it may subject the Applicants to recapture of Financial Assistance. After acceptance by the Agency of the Company’s Final Project Report (more particularly described below) confirming compliance with the Project Obligation, the Company shall have no further obligation with respect to the Project Obligation and shall not be liable for any of the payments described below. The Company further acknowledges that the Financial Assistance was granted based upon the representation that Stark Development LLC would retain a minimum of five (5) fulltime jobs commencing in year 1 of the Lease/Leaseback (the “Employment Obligation”). The Company shall also refrain from seeking tax abatement on retail purchases. The Company shall file with the Agency, on or before January 31 of each calendar year, an annual employment report setting forth the number of full time jobs created and maintained during the preceding year.
3. Final Project Review. The Company will be required to submit to the Agency a certificate attesting to completion of the Project Obligation, together with copies of all Certificates of Occupancy (the “Final Project Report”) within ten days of receiving a Certificate of Occupancy for all units, or at least ten days before the end of the Lease Term, whichever is soonest. The Agency reserves the right to inspect the Facility, with reasonable notice to the Company and so long as such inspection does not unreasonably interfere with Company’s operations at the Facility. Upon receipt of the Final Project Report, the Agency will evaluate the Project again using the same criteria considered at the time of the initial project application.
4. Remedies. If the Employment Obligation is not met on or before the first (1st) anniversary of the date of this Agreement, or maintained in any year thereafter, the Agency may notify the Company in writing of its intention to recapture Financial Assistance and the Company will have thirty (30) days to respond to the letter citing the reason or reasons Stark Development LLC failed to achieve its Employment Obligation, including any request to appear before the Agency. If the Agency then determines that Stark Development LLC’s reasons for failing to achieve the Employment Obligation are not acceptable to the Agency, the Agency, at its sole discretion, may:
 - a. Take no action if it is determined that the reason or reasons for failing to achieve the Project Obligation are temporary or, in the sole opinion of the Agency, it is in the best interest of economic development of Herkimer County; or

- b. Reduce the benefit granted to the Company and recapture payment(s) from the Company for Payment in Lieu of Taxes, Sales Tax and Mortgage Tax as follows:

Within two (2) years of Certificate of Occupancy:	100%
Within three (3) years:	80%
Within four (4) years:	60%
Within five (5) years:	40%
Within six (6) years:	30%
Within seven (7) years:	20%
Within eight (8) years:	10%
Eight (8) years or more:	0%

- c. Such other remedies as permitted under the Agency's Tax Exempt Policy which is incorporated herein by reference.

5. The Agency retains all rights to impose, delay or waive penalties and the right to deviate from these recapture provisions. Notwithstanding this right, the Agency is obligated to recapture New York State sales tax benefits where:

- a) The Project is not entitled to receive those benefits; or
- b) The exemptions exceed the amount authorized, or are claimed for unauthorized property or services; or
- c) The Company failed to use property or services in the manner required by the Leaseback Agreement.

15. Merger of the Agency.
 - (a) Nothing contained in this Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other body corporate and political and public instrumentality of the State of New York or political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder, provided that upon

17. Agreement to Pay Attorney's Fees and Expenses. In the event the Company should default under any of the provisions of this Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred.
18. No Additional Waiver Implied By One Waiver. In the event any agreement contained herein should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
19. Inducement Agreement. The Transaction Documents represent the entire agreements of the Agency and the Company and supersede the terms of the Project Agreement executed as of April 29, 2026, between the same parties.
